

Manchester Anthem – Raise the Game Up

Verse 1

Let's raise the game up
With a feminine touch
We'll never yield
'Til we level this field
From home-made kits
to the sponsored fits
From the cold muddy grass
to an astro pitch

Chorus

Let's get stuck in
Whether we lose or we win
We've worked so hard to get here
Don't be afraid
We're watching history be made
This is a game that stays in your heart

Verse 2

No nets in the goal
Boots with holes in the sole
But we played right on
Till the sun went down
Now it's girls allowed
And we pull in crowds
Hear them clap and cheer
Singing loud and clear

Chorus

Bridge

We were banned, rejected, but now we're accepted (x3)
We were banned, rejected, but now we're **expected to**

Chorus

Get stuck in
Whether we lose or we win
We've worked so hard to get here
Don't be afraid
We're watching history be made
This is a game that stays in your heart
